Events & Activities

One of the many events that we had planned for children during our pajama party included writing letters to Santa. The letters were then brought to Macy's where they had a charity that donated \$1 to every letter they received to the Make A Wish foundation.

Kids also had the opportunity to create their own Olaf's, play snowman bowling, color in their favorite Frozen character, and eat Frozen themed food such as melted ice, Ana's favorite drink, Olaf's nose, and reindeer food. We also recreated a sled and Elsa's castle as a backdrop for children to pose in front of for pictures! And what kind of pajama party would it have been without the movie Frozen playing in a theater room?

Celebrating Our 5th Annual Frozen Themed Pajama Party!

On December 5th, 2014, Kappa Delta Pi celebrated its 5th annual Pajama Party. We chose a Frozen theme to accompany us on the chilly day where we had hundreds of kids join us for arts, crafts, activities, and fun! Parents enjoyed themselves in a separate room while the kids were playing in their winter wonderland. The event was a huge success as many parents are already eager to attend next year's event!

Save the Date!

Valentine's Sale [February 12th]

Join us for a Valentine's Bake Sale, 11-3 pm at James Hall 1st floor

Next Meeting [February 11th]

Our next general meeting will be held in James 3114 at 8:00 pm

Literacy Alive [March 6th]

Join us "Under the Sea"! The event goes from 6-8 pm with set up at 3 pm

Other Events

This year we have had numerous fundraisers and charities where members came out and volunteered their time for some fun!

Haunted Student Center

The Haunted Student Center is an annual event that allows a safe space for children to trick or treat indoor. This year, we teamed up with the Early Childhood Education Club to design a room for our trick or treaters! The theme of our room was “jungle themed” and many trick or treaters had the opportunity to make their own animal mask, play with a gorilla, and of course, get some candy! We also had a designated area for kids to get up and dance while their friends drew on their masks. We were one of the best-decorated rooms at the event which was a huge success! We had the opportunity to see many costumes and friends!

2014 Homecoming

This year, we teamed up the Elementary Education Club to create a banner to be presented during the Proftoberfest Homecoming Week football game. We painted a banner of children using their “pretzel legs” and had a great turnout from our artistic volunteers who created a beautiful piece.

Literacy Alive

Literacy Alive is just around the corner! This year’s theme will be UNDER THE SEA! We are collecting gently used books and will be forming committees at our February 11th meeting. The event date has CHANGED and is now March 6th from 6-8 pm with set up beginning at 3 pm. This is one of our biggest events of the year so please tell all family and friends about this wonderful charity!
